

**“For, behold, I create new heavens  
and a new earth.”**

**Isaiah 65:17**

*What is Heaven like and does it even exist? This is a question that many Christians and non-Christians are wondering. Even in Christianity, there are varying opinions on this place called heaven. Some people don't believe in heaven. Or they say there are three heavens or even seven. Others say you first go to purgatory then maybe heaven later. Some religions teach that heaven is not a real place but simply a state of mind. Then there are Universalists who say eventually everyone one will make it there. Why are there so many varying opinions and ideas on such an important subject as heaven? In this lesson, we are going to use God's Master Key to unlock the prophecies regarding the subject of Heaven.*

Those that are saved will be in this new kingdom as a result of what Jesus has done in their behalf.*
